WHAT IS THE PRODUCT? Rush Charge Comet 3,200 mah 3-in-1 is a small, compact, and portable charger. Features one-of-a-kind technology and cutting-edge design to combine style and functionality, charging multiple devices on the go.

WHAT DOES THE PRODUCT DO?

1. Rush Charge Comet keeps your devices fully charged anytime and anywhere. Its cord-free battery allows you to charge with one hand completely uninterrupted.
2. Provides you with up to 25 hours of talk time and up to 18 hours of internet use.
3. Easy to use and recharge: Make use of the brand's signature pass-through technology. Just plug the Rush Charge into the bottom of your phone or gadget at night and plug your phone's charger into the Rush Charge, in the morning you will have 2 fully charged batteries ready to take on the day.
4. The cable-free design allows you to plug the Rush Charge directly into any compatible device Lightning, Type-C, or Micro-USB, making it a truly universal charger!

HIT POINTS:

- Stay connected and never deal with dead devices again.
- Its compact and lightweight design makes it a great charger to use on the go.
- Pass-through technology: cables are a thing of the past!

WHY SHOULD THE AUDIENCE BUY IT? It is convenient, lightweight, and compact that easily fits in your jeans pocket or purse. Not only is Rush Charge the most convenient charging solution, but it is also the easiest to recharge. It comes pre-charged and ready to go right out of the box. It also is the perfect gift for everyone. Great for young kids who are getting their first phone, and a must for college kids leaving home for the first time.
