TAGLINE: Helps you work comfortably, sitting or standing!

WHAT IS THE PRODUCT? WorkEX Professional: The perfect medium-sized, ergonomic laptop cooling stand, lap desk, and laptop standing desk.

CD4: A desktop laptop riser that gets you out of your chair and lets you quickly convert any desk to standing, preventing neck craning that leads to those midday aches and pains.

WHAT DOES THE PRODUCT DO?

1. This aluminum multi-purpose laptop riser doubles as an adjustable height and angle book holder, tablet stand, and monitor riser
2. From sitting to standing, Professional raises screens to eye level, gets your computer off your lap, and keeps it cool, 3-section articulating legs accordion up and down holding devices in the most comfortable position, push-button joints rotate the panel for optimal viewing pleasure
3. Slimmer, more compact, weighs less, has a smaller panel and 2-piece legs make it shorter and simpler
4. CD4: The simple height adjustment quickly raises laptops up, so virtually anyone can stand up and type comfortably or sit up straight in comfort with perfect posture as it elevates and tilts laptops to your perfect height
5. Super-compact, lightweight profile that won't clutter your desk and collapses almost flat almost to the size of a normal laptop
6. One of the only ergonomic standing desk converters designed exclusively for laptops that quickly move to standing

HIT POINTS:

- Lightweight, compact, multi-functional, portable laptop riser
- Gets your computer off your lap and keeps it cool
- Never hunch again!

WHY SHOULD THE AUDIENCE BUY IT? Standing burns more calories than sitting!

WorkEx Professional: Slips over your lap so you can move your legs around freely and it's perfect on the couch, recliner, or in bed.

CD4: Sturdy design is stable at any height.

With both these laptop risers you can work comfortably sitting and quickly transition to standing.

ADDITIONAL INFORMATION:

WorkEZ Professional is all-aluminum construction and elevates the panel to any height - up to 18 inches.

CD4 raises laptops up to 18.6 inches.
