TAGLINE: The flashlight that will boost your car

WHAT IS THE PRODUCT? Portable vehicle jump starter that is a 10-in-1 user-friendly multi-tool.

WHAT DOES THE PRODUCT DO?

1. Jump Starter: Provides an impressive 800A (peak) from a compact yet lightweight flashlight - Jump starts up to V8, 7.0L Gas, and 4.0L Diesel Engines. Can jump cars, trucks, boats, lawnmowers, etc.
2. Instantly jump a drained vehicle battery by clamping the Smart Jumper Cables with the mini flashlight directly onto the vehicle battery terminals.
3. Safe: Products come in a nice storage box and the bag has the 3-steps, easy instructions on how to use it, so you're never guessing! Just connect red to red, black to black, and if you do it wrong, you won't get shocked, it will just beep.
4. Flashlight: 8W, 330 Lumen LED Flashlight has 5 modes (High Beam, Low Beam, S.O.S., Strobe, Red Flashing). Emergency red flashing feature. 495ft reach is the perfect tool for daily use, traveling, outdoor activities, and emergency situations!
5. Power Bank: Dual USB ports provide optimal charge, up to 2.4 amps per port, for fast charging for USB-chargeable devices! Works on virtually any USB-chargeable device, including mobile phones, tablets, gaming devices, and more.

HIT POINTS:

- Portable vehicle jump starter that is a 10-in-1 user-friendly multi-tool and it's the size of a flashlight
- Don't jump-start your car jump-smart it!
- Make jump-starting a car a safe, one-person job

WHY SHOULD THE AUDIENCE BUY IT?

Portable power is in your hands so you don't have to rely on another person or vehicle if you're stranded. Emergency preparedness for every driver. A solution for safer traveling thanks to these unique emergency features compacted into one, high-functioning product. The tactical and ergonomic design makes it functional for everyday use.

Provides additional talk time of over 49 hours!

Makes a great gift for every driver you know.
