WHAT IS THE PRODUCT?

Serum Booster: Boost your skincare to the next level, with the Vanity Planet Serum Booster. Delivers sonic vibrations to rejuvenate and gently massage the skin. Tackle those under-eye bags, boost the application of your skincare products, and get your glow on.

Rose Quartz Beauty Bar: The innovative Sonic Rose Quartz Beauty Bar LED Wand from Vanity Planet allows you to customize your home facial massage routine. Helps firm, refresh, and de-puff skin and is great to enhance the application of skincare.

WHAT DOES THE PRODUCT DO?

Serum Booster:

1. Boosts absorption of serums, creams, and moisturizers
2. Helps reduce puffiness and redness
3. Can help lessen the appearance of fine lines
4. Rejuvenates and invigorates skin with sonic vibration
5. Custom-shaped head perfect for under-eye areas and the contours of your face

Rose Quartz Beauty Bar:

1. Tighten and soothe your face with the warming, sonic power of our Sonic Rose Quartz Beauty Bar
2. All-purpose vibrating beauty tool energizes a dull complexion with high-frequency vibration to help, firm, refresh and de-bloat puffy skin
3. Use to enhance topical skincare application
4. Contour the entire face including the brow bone, jawline, and cheekbones
5. Warm rose quartz provides soothing relief
6. Dual-mode activation for electric heat and massage
7. Rechargeable integrated lithium battery allows for cordless use

HIT POINTS:

- Now you can fulfill your wish to have the best skin ever
- Take your home facial massage routine to the next level
- Refresh your skin and get your glow on

WHY SHOULD THE AUDIENCE BUY IT? Vanity Planet continues to evolve the everyday beauty routine with accessible, top-selling skincare and styling devices, and advanced treatments to suit every skin type.
