TAGLINE: The facial beauty tool for soft, hydrated skin

WHAT IS THE PRODUCT? Vina is a hydrating and infusing at-home facial beauty tool.

WHAT DOES THE PRODUCT DO?

It provides deep cleaning by removing debris from pores and unclogging build-up on the uppermost layer of your skin.

Improves skin texture with oxygenating micro bubbles that gently extract dead skin cells for noticeably smoother, softer, plumper skin.

Treats skincare concerns while hydrating the skin

Revitalizes and nourishes dehydrated skin

Treats, cleanses, decongests the skin, unclogs build-up, and removes dead skin and blackheads.

Encourages new collagen production

Minimizes the appearance of pores.

HIT POINTS:

- Cleansing and hydrating power in the palm of your hand
- Deep cleaning, hydration, and oxygenation all in one
- Let your smoother, softer, and plumper skin resurface

WHY SHOULD THE AUDIENCE BUY IT?

Infuse hydration into the skin while giving a deep pore cleanse.

Exfoliates to leave skin baby soft and ultra-hydrated.

Assists in removing impurities, visibly reduces fine lines, and plumps the skin.

ADDITIONAL INFORMATION:

Waterproof design

3 adjustable speeds to perfect your exfoliation

Handheld deep cleansing
