WHAT IS THE PRODUCT? Debbie Meyer GreenBoxes 32 Piece Set keeps fruits, vegetables, baked goods, and snacks fresh longer.

WHAT DOES THE PRODUCT DO?

1. Independent Lab-tested, reusable food storage containers proved to extend the life of fruits, vegetables, baked goods, and snacks like bread, bagels, rolls, cookies, lettuce, carrots, celery, bananas, grapes, strawberries, cherries, blueberries, mushrooms, peppers, tomatoes, herbs, and so much more)
2. Effectiveness cannot be washed out or worn out; reusable indefinitely. Top-rack dishwasher-safe. Microwave safe. Store on the countertop, in the fridge, or in the pantry; where the contents would normally be stored.
3. Debbie Meyer GreenBoxes are made with Debbie Meyer Food Fresh System technology; a unique, proprietary combination of natural ingredients scientifically proven in independent lab testing to prolong the life of fruits, vegetables, baked goods, and snacks.

HIT POINTS:

- Reduce waste and save money
- Safe, convenient, and easy to use
- Reuse your 32 GreenBoxes indefinitely

WHY SHOULD THE AUDIENCE BUY IT? Known as the "Home Problem Solver™" and The Original Green Lady™, DEBBIE MEYER® uses her wealth of knowledge to find answers to common problems, without creating new ones.

When your fresh fruits, vegetables, baked goods, and snacks stay fresh longer, that means you can buy in bulk, throw away less, reduce food waste, and save money.

Debbie Meyer GreenBoxes come in various sizes that are perfect for school or office lunches, picnics, camping, leftovers, meal prep, and more. They store neatly in the fridge, on the countertop, in your pantry, or on the go.

Proudly made in the USA.

ADDITIONAL INFORMATION:

Easy to Use:

- Simply remove fresh fruits, vegetables, baked goods, or snacks from any original packaging
- Dry off fresh fruits and vegetables before storing. Place in a box and cover with a lid.
- Store in the fridge, on the countertop, or in the pantry -- wherever you would normally store what is inside.
- All fruits and vegetables give off moisture; for best results, wipe away any moisture that appears inside the box.
