**TAGLINE:** Gently exfoliate and rejuvenate your skin

### WHAT IS THE PRODUCT?

**Face Polishing Peel Pads:** Formulated with a powerful combination of 7 acids - AHAs, BHAs, and PHA - in conjunction with minerals, antioxidants, and anti-aging ingredients.

**Neck & Decolletage Polishing Peel Pads:** Formulated with a gentle combination of 5 acids - AHAs and BHAs - in conjunction with minerals, antioxidants, and anti-aging ingredients.

These pads work like a gentle in-clinic peel on your skin targeting your face, chest, cleavage, and décolleté wrinkles, yet as an at-home treatment in two minutes.

### WHAT DOES THE PRODUCT DO?

**Face Polishing Peel Pads:** Deliver safely exfoliated and resurfaced skin free of dead skin cells, with visibly smoother lines and wrinkles and minimized appearance of pores.

**Neck & Decolletage Polishing Peel Pads:** Deliver exfoliated and resurfaced skin on the sensitive neck and décolletage, areas often not accustomed to skin peels or exfoliation. Experience polished and resurfaced skin in two minutes free of dead skin cells, with visibly smoother lines and wrinkles

### HIT POINTS:

- Wrinkles Schminkles has your skin covered, literally!
- The peel pads gently exfoliate dead skin cells
- Your radiant skin resurfaces underneath

**WHY SHOULD THE AUDIENCE BUY IT?** The fast-acting glycolic acid-based Peel Pads can be used during the day or night as an exfoliator and enable optimal skincare delivery into the skin leaving your skin instantly glowing, boosting collagen production and skin cell renewal.

### ADDITIONAL INFORMATION:

**Face Polishing Peel Pads:** contains 7 acids to exfoliate and polish: glycolic acid, lactic acid, citric acid, malic acid, natural salicylic acid, polyhydroxy acid, and hibiscus flower acid.

**Neck & Decolletage Polishing Peel Pads:** contains 5 acids to exfoliate and polish: glycolic acid, lactic acid, citric acid, malic acid, and natural salicylic acid.
