TAGLINE: Tools for life- Kelvin 17 - The Everyday Multitool

WHAT IS THE PRODUCT? Kelvin 17 is a compact and convenient tool featuring 17 commonly used tools in the palm of your hand.

WHAT DOES THE PRODUCT DO?

1. Includes the most common household items
2. Tackle hundreds of household jobs with ease
3. Compact, rugged & stylish urban design
4. Flip Action Screwdriver with 90° locking
5. 13 everyday Screwdriver bits, 4 Phillips, 3 Torx, 3 Flathead, 3 Allen keys
6. Integrated liquid level
7. LED Flashlight
8. SnapAction Screwdriver
9. Convenient 3 ft / 1 m measuring tape
10. Carbon Steel hammering surface, which is quite uncommon in all-in-one hand tools like this

HIT POINTS:

- 17 tools in the palm of your hand, the perfect kitchen drawer tool.
- It tackles hundreds of household DIY jobs.
- All the essential tools in one compact, powerful design!

WHY SHOULD THE AUDIENCE BUY IT? Kelvin17 is a patented 17-in-1 gadget that combines every essential household tool into one simple device you can carry anywhere. Its unique design is brilliantly engineered to make quick fixes, installations, and hundreds of jobs easy for anyone. Created for outdoor hobbyists, handymen, and beginner DIYers, Kelvin17 is perfect for anyone looking to be prepared at a moment's notice.

This is your chance to replace that bulky messy toolbox with this compact 17-in-one tool. Perfect for small spaces like apartments, condos, school dorms, RV's, Vacation homes, and even for that "tool" person who has everything in their garage.

For Everyday Quick Fixes To Weekend Projects – There are hundreds of ways to use Kelvin17! Effortlessly hammer, screw, measure, tighten, level, find stuff in the dark, and fix anything. Kelvin has everything you need, and nothing you don't. Always Have The Right Tool – Forget messy toolboxes filled with tools you never use! Kelvin17 combines every tool you'll ever need into one, saving you tons of frustration, time, and effort. Just grab it, use it, and go. There When You Need It Most – Kelvin17 is the most compact urban multi-use tool ever made – the size and weight of your cell phone – so it easily fits in your pocket, car glove box, or kitchen drawer. It's always within reach even when space is tight!

A \$150 Value At A Fraction Of The Cost – Buying all your tools separately could cost you over \$150 at your local hardware store! Save hundreds on extra tools and multiple trips to the store by getting all the 'must-have' DIY essentials in one device. So Easy Anyone Can Use It – Kelvin17's practical ergonomic design makes the job easier – you don't need to be a contractor or handyman to use it. Now anyone from the kids to grandma can take care of little fixes around the house! Choose From Multiple Colors – Who said great tools have to be boring?! Make Kelvin17 uniquely yours with your own stylish color. Choose from Red, Pink, Blue, or Black! There's a color for everyone. A Gift They'll Use Forever – Kelvin17 is the perfect present for the handyman or woman in your life! A great gift for days such as Father's Day, Mother's Day, birthdays, holidays, housewarming parties, and even college dorm move-in day.
