**WHAT IS THE PRODUCT?** The Magic Mesh Portable Pod is a screen tent that helps protect you from annoying mosquitoes and other insects that keep you from enjoying the outdoors.

### WHAT DOES THE PRODUCT DO?

1. The Magic Mesh Portable Pod modular design with see-through mesh panels and the solid top panel provides shade and safety.
2. Easy pop-up tent design lets it pop up in seconds with no tools required, and it also folds flat for easy storage, making it easy to bring with you wherever you go.
3. Includes 12 powerful magnets on the door panel that ensure it stays closed when you need it to and for easy entry and exit.
4. Made with heavy-duty mesh that magically closes and instantly opens when needed.
5. 360° mesh view allows for a constant flow of fresh air circulation.

### HIT POINTS:

- Enjoy all your favorite outdoor activities without worrying about pesky pests bugging you.
- Easy to pop up, up and easy to fold.
- Truly a portable item, you can take the pod anywhere.

### WHY SHOULD THE AUDIENCE BUY IT?

It's the perfect product for family sporting events, camping in the summer, park playdates, sandy beach days, pool parties, and anywhere you need protection from the sun, while continuously circulating fresh air!

You can use it to help keep your baby or your pet cool and safe from bites.
